

**Narraguinep Research Natural Area Plant List**  
 Compiled from Leslie Stewart's trips of June 16, 2000 and June 17, 2001,  
 And from Al and Betty Schneider's trips from 2003-2010.

**TREES**

<b>Aceraceae</b> Acer glabrum	Maple Family Mountain maple
<b>Cupressaceae</b> Sabina scopulorum	Cypress Family Rocky Mountain juniper
<b>Fagaceae</b> Quercus gambelii	Oak Family Gambel Oak
<b>Pinaceae</b> Pinus edulis Pinus ponderosa ssp scopulorum Pseudotsuga menziesii	Pine Family Pinyon Pine Ponderosa Pine Douglas Fir
<b>Salicaceae</b> Populus angustifolia Populus tremuloides Salix lucida ssp caudata Salix lucida ssp lasiandra Salix monticola	Willow Family Narrowleaf Cottonwood Aspen Strapleaf Willow Whiplash Willow Willow

**SHRUBS**

<b>Berberidaceae</b> Mahonia repens	Barberry Family Oregon Grape
<b>Caprifoliaceae</b> Symphoricarpos rotundifolius	Honeysuckle Family Snowberry
<b>Cornaceae</b> Swida sericea	Dogwood Family Red Osier
<b>Grossulariaceae</b> Ribes inerme	Currant Family Gooseberry
<b>Rhamnaceae</b> Ceanothus fendleri	Buckthorn family Buckbrush
<b>Rosaceae</b> Amelanchier alnifolia Cercocarpus montanus Crataegus rivularis Padus virginiana Pentaphylloides floribunda Purshia tridentata Rosa woodsii	Rose Family Serviceberry Mountain mahogany Hawthorn Choke cherry Shrubby cinquefoil Buckbrush Wood's rose

**GRASSES Grasslikes**

<b>Cyperaceae</b> Carex geyeri Carex utriculata	Sedge Family Elk sedge
<b>Equisetaceae</b> Equisetum pratense Hippochaete laevigata	Horsetail Family Horsetail Scouring Rush
<b>Poaceae</b> Achnatherum nelsonii Agrostis gigantea Anisantha tectorum Bromopsis inermis Bromopsis lanatipes Bromopsis porteri Bromopsis spp Danthonia intermedia Elymus elymoides Elymus glaucus Festuca arizonica Hesperostipa comata Koeleria macrantha Muhlenbergia montana Pascopyrum smithii Phleum pratense Poa fendleriana Poa pratense	Grass Family Needlegrass Redtop Cheatgrass Smooth brome Nodding brome Nodding brome  Oat grass Squirreltail Blue wild rye Arizona fescue Needleand thread Junegrass Mountain muhly Western wheatgrass Timothy Muttongrass Kentucky bluegrass

**FORBS**

<b>Agavaceae</b> Yucca baccata	Broad-leaved Yucca
<b>Alisinaceae</b> Eremogone congesta Pseudostellaria jamesiana	Chickweed Family Sandwort Tuber starwort
<b>Alliaceae</b> Allium acuminatum	Onion Family
<b>Anacardiaceae</b> Toxicodendron rydbergii	Sumac Family Poison ivy
<b>Apiaceae</b> Ligusticum porteri Lomatium dissectum Lomatium triternatum Osmorhiza depauperata Osmorhiza occidentalis Oxypolis fendleri Pseudocymopterus montanus	Parsley Family Lovage  Sweet cicely Sweet cicely Cowbane Mountain parsley

**Narraguinep Research Natural Area Plant List**  
 Compiled from Leslie Stewart's trips of June 16, 2000 and June 17, 2001,  
 And from Al and Betty Schneider's trips from 2003-2006.

<b>Apocynaceae</b>	Dogbane Family	Silene sp	
Apocynum cannabinum	Indian hemp		
<b>Asteraceae</b>	Sunflower Family	<b>Celastraceae</b>	Stafftree Family
Achillea lanulosa	Yarrow	Paxistima myrsinites	Mountain lover
<b>Antennaria dimorpha</b>		<b>Convallariaceae</b>	Mayflower Family
Antennaria parvifolia	Pussytoes	Maianthemum amplexicaule	Solomon's Plume
Artemisia ludoviciana	Louisiana sage	Maianthemum stellatum	Star Lily
Balsamorhiza sagittata	Arrowhead Balsamroot	<b>Euphorbiaceae</b>	Spurge Family
Brickellia grandiflora	Brickellia	Tithymalus brachyceras	Small spurge
Carduus nutans	Musk thistle	<b>Fabaceae</b>	Pea Family
Cirsium tracyi	Thistle (native)	Astragalus flexuosus	Milk vetch
Cirsium spp	Thistle (native)	Astragalus scopulorum	Milkvetch
Erigeron flagellaris	Trailing fleabane	Lathyrus leucanthus	Peavine
Erigeron speciosus	Showy fleabane	Lotus wrightii	Lotus
Helianthella quinquenervis	Five nerved sunflower	Lupinus caudatus	Lupine
Helianthus rigidus ssp. subrhomboides		Lupinus kingii	
Heliomeris multiflora	Many flowered sunflower	Thermopsis montana	Goldenbanner
Heterotheca villosa	Hairy goldenaster	Trifolium longipes	Clover
Oligosporus dracunculus	Tarragon	Vicia americana	American vetch
Packera neomexicana	Groundsel	<b>Gentianaceae</b>	Gentian Family
Petradoria pumila	Rock goldenrod	Frasera speciosa	Monument plant
Psilochenia acuminata	American Hawksbeard	<b>Geraniaceae</b>	Geranium Family
Rudbeckia ampla	Goldenglow	Geranium caespitosum	Geranium
Senecio integerrimus		Geranium richardsonii	Geranium
Senecio eremophilus		<b>Helleboraceae</b>	Hellebore Family
Solidago canadensis		Delphinium nuttallianum	Larkspur
Solidago missouriensis	Smooth Goldenrod	<b>Iridaceae</b>	Iris Family
Solidago velutina	Goldenrod	Iris missouriensis	Wild iris
Stenotus armerioides	Ring Grass	<b>Lamiaceae</b>	Mint Family
Taraxcum officinale	Dandelion	Mentha arvensis	
Tetraneuris ivesiana	Perky Sue	<b>Liliaceae</b>	Lily Family
Tragopogon dubius	Salsify	Erythromium grandiflorum	Avalanche lily
Wyethia x magna	Wyethia	<b>Linaceae</b>	Flax Family
<b>Berbericaceae</b>		Adenolinum lewisii	Wild blue flax
<b>Mahonia repens</b>		<b>Melanthiaceae</b>	False Hellebore Family
<b>Boraginaceae</b>	Borage Family	<b>Toxicoscordion venosum</b>	Death camas
Lithospermum multiflorum	Puccoon	<b>Monotropaceae</b>	Pinesap Family
Mertensia lanceolata	Bluebells	Pterospora andromedea	Pinedrops
<b>Brassicaceae</b>	Mustard Family	<b>Onagraceae</b>	Evening primrose Family
Boechera drummondii	False arabis	Chamerion danielsii	Fireweed
Lepidium montanum	Western Peppergrass	Oenothera coronopifolia	
Noccaea montana	Wild Candytuft		
Streptanthella longirostris			
<b>Cactaceae</b>	Cactus Family		
Cylindropuntia whipplei	Rattail cactus		
Opuntia fragilis			
<b>Pediocactus simpsonii</b>			
<b>Caryophyllaceae</b>	Pink Family		

**Narraguinep Research Natural Area Plant List**

Compiled from Leslie Stewart's trips of June 16, 2000 and June 17, 2001,  
And from Al and Betty Schneider's trips from 2003-2006.

<b>Orchidaceae</b>	Orchid Family	Penstemon strictus	Rocky Mtn. Penstemon
Corallorhiza trifida	Coralroot	Verbascum thapsis	Mullein
<b>Polemoniaceae</b>	Phlox Family	<b>Thalictraceae</b>	Meadowrue Family
Ipomopsis aggregata	Trumpet gilia	Thalictrum fendleri	Meadowrue
Microsteris gracilis		<b>Valerianaceae</b>	Valerian Family
Polemonium foliosissimum	Jacob's Ladder	Valeriana edulis	Valerian
<b>Polygonaceae</b>	Buckwheat Family		
Eriogonum ovalifolium			
Eriogonum racemosum	Raceme buckwheat		
Etiogonum umbellatum			
Pterogonum alatum	Winged Buckwheat		
<b>Portulacaceae</b>	Purslane Family	<b>BIRDS</b>	
Claytonia lanceolata	Spring beauty	American Robin	
Oreobroma nevadensis	Lewisii	American Kestrel	
		Common Raven	
<b>Primulaceae</b>	Primrose Family	Dark-eyed Junco	
Androsace septentrionalis	Fairy Candleabra	Flycatchers – Cordilleran	
		Dusky	
<b>Ranunculaceae</b>	Buttercup Family	Hammonds	
Coriflora hirsutissima	Leatherflower	Olive-sided	
Ranunculus alismifolius		Western Wood-Pewee	
Ranunculus glaberrimus		Hermit Thrush	
<b>Rosaceae</b>	Rose Family	House Wren	
Amelanchier utahensis		Mountain Chickadee	
Cercocarpus montanus		Mourning Dove	
Geum alepicum	Avens	Northern Flicker	
Potentilla hippiana	Cinquefoil	Nuthatches – Pygmy	
Potentilla pulcherrima	Cinquefoil	White breasted	
Purshia tridentata		Red Crossbill	
<b>Rubiaceae</b>	Madder Family	Townsend Solitare	
Galium septentrionale	Northern bedstraw	Turkey Vulture	
<b>Santalaceae</b>	Sandlewood Family	Violet -green Swallow	
Comandra umbellata	Bastard toadflax	Vireos – Plumbeous	
<b>Saxifragaceae</b>	Saxifrage Family	Warbling	
Lithophragma glabrum		Warblers – Graces	
		Yellow-rumped	
<b>Scrophulariaceae</b>	Figwort Family	Western Flycatcher	
Castilleja linariifolia	Paintbrush	Western Tanager	
Castilleja miniata	Paintbrush		
Collinsia parviflora	Blue-eyed Mary		
Lithophragma glabrum			
Lithophragma parviflorum			
Pedicularis procera	Lousewort		
Penstemon barbatus	Scarlet Bugler		
Penstemon linarioides	Penstemon
